FIRST AID

Call a poison control center or doctor immediately for treatment advice. *Have the product container with you when calling a poison control center or doctor, or going for treatment.*

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

LateralTM G is a granular wetting agent that improves moisture uniformity and wetting of hydrophobic soils. **Lateral G** is effective for prevention and remediation of Localized Dry Spot (LDS). **Lateral G** can be used to reduce hydrophobicity on golf courses, roughs, fairways

and approaches, sod farms, athletic fields, and home lawns, and is also recommended for soil water management when planting ornamentals or to follow a hydro-seeding operation.

DIRECTIONS FOR USE

The first application of **Lateral G** should be applied at **2.5 - 5 pounds per 1000 square feet.**

Re-apply every 30 days or as needed to prevent yellowing/browning symptoms from re-appearing.

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. Store between 40° and 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local, regional, national and international regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations.
