## GENERAL INFORMATION

**AUDIBLE™ 80** is a general purpose nonionic surfactant. **AUDIBLE 80** helps to improve uniform coverage and wetting throughout the canopy.

- Lower surface tension of the tank mix allows spray droplets to spread upon contact
  - Increases contact area
- **AUDIBLE 80** meets pesticide label requirements for an 80/20 surfactant

## DIRECTIONS FOR USE

### NOT FOR AQUATIC USE

Follow the directions on the most restrictive active ingredient label.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

The user must either have previous experience with the specific tank mix being used or must conduct phytotoxicity tests and a jar test with the specific tank mix in order to determine product compatibility.

**AUDIBLE 80** may be added anytime during the mixing process, it is recommended that it be added after all other tank mix additives and actives are added. Solid formulations must be added and thoroughly mixed into the tank water before adding this or any other products to the tank.

Add **AUDIBLE 80** as a surfactant last before the final addition of water in the recommended level in the chart below.

## USE RATES

Applications	AUDIBLE 80 per 100 Gallons
Herbicides	1 to 4 pints

Different conditions may cause some variation in the amount of this product required. Use the least amount of **AUDIBLE 80** needed to perform effectively.

## STORAGE AND DISPOSAL

**STORAGE:** Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. Store between 40° and 90° F.

**DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org) or [www.acrecycle.org](http://www.acrecycle.org).
