All ingredients are exempt from tolerance under 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN CAUTION

PRECAUTIONS

Read label before use. Keep container tightly closed. Keep only in original container. Do not breathe vapors or spray. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, and eye protection.

FIRST AID

Have the product container with you if calling a poison control center or doctor, or going for treatment.

EYE CONTACT: Rinse cautiously with water. Remove contact lenses if present, then continue cautiously rinsing eye.

SKIN CONTACT: Wash skin with soap and water.

INGESTION: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. Do not induce vomiting.

INHALATION: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing.

GENERAL INFORMATION

Lateral Pro G is a granular wetting agent that improves moisture uniformity and wetting of hydrophobic soils.

Lateral Pro G is effective for prevention and remediation of Localized Dry Spot (LDS).

Lateral Pro G can be used to reduce hydrophobicity on golf courses, roughs, fairways and approaches, sod farms, athletic fields, and home lawns, and is also recommended for soil water management when planting ornamentals or to follow a hydroseeding operation.

DIRECTIONS FOR USE

The first application of **Lateral Pro G** should be applied at 2.5 - 5 pounds per 1000 square feet.

Re-apply every 30 days or as needed to prevent yellowing/browning symptoms from re-appearing.

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. Store between 40° and 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local, regional, national and international regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations.

WARRANTY STATEMENT: EXACTO®, INC. (Exacto) represents and warrants that its products are manufactured in accordance with the product's specifications and that its products, at the time of delivery to the purchaser, shall be free from all material defects. EXACTO MAKES NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, CONCERNING THE PRODUCT, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED.
